

Fragile Earth Caravan and Mobile Home Wash - CONCENTRATE

Fragile Earth Caravan and Mobile Home Wash has a penetrating cleaning action which quickly cuts through oil, grease, dirt and carbon leaving a protective bio-film that will continue to repel dirt. Dries spotless and smear free, restoring lustre to finishes.

Fragile Earth Caravan and Mobile Home Wash has been formulated to provide dual action in a one-step cleaning method. Its high penetrating action cuts through oil, grease, soils, and carbon quickly.

Fragile Earth Caravan and Mobile Home Wash is environmentally friendly, rinses freely and completely with water with no residue. The added biological blend of bacteria and enzymes aids in breaking down the organic matter during washing and keeps working well after the car has been cleaned and dried on those hard to reach areas. The added value to this product is that it can be discharged directly into the sewer systems. As a bonus the biological additives help keep drains clean, free flowing and reduces odours.

- Safe to discharge to sewers.
- Residual action continues to breakdown hydrocarbons in interceptor tanks and drains.
- Will not stain or discolour trim or paintwork.
