

Biocidal Carpet and Fabric Stain Remover and Cleaner – with deodorising action SUPER CONCENTRATE

Biocidal Carpet and Fabric Cleaner is specifically designed to tackle problematic and unwelcome biological stains and spills on carpets, rugs and fabric. Biocidal Carpet and Fabric Cleaner is an extremely effective 100% organic broad spectrum cleaner that kills 99.9998%* of bacteria and germs. Effectively cleans, sanitises and deodorises stains left by vomit, blood, faecal matter, and a wide range of biological contaminants. Formulated to medical standards, achieves clinical kill levels against a wide range of pathogens including MRSA, Norovirus, Legionella, Influenza, HIV, Streptococcus, Listeria, E-Coli, Hepatitis, Clostridium-dif, Salmonella, Staphylococcus. The highly effective action ensures that any contamination is eliminated at source.

Biocidal Carpet and Fabric Cleaner is:

- 100% natural
- 100% organic
- Proven to kill 99.9998% of bacteria*
- Alcohol free
- DEFRA approved

PACK SIZE: 250ml & 500ml

DIRECTIONS: WEAR GLOVES TO AVOID CONTACT WITH THE CONTAMINANT

Remove solid waste. To clean and sanitise add 20ml of Biocidal Carpet Cleaner to a trigger spray or bowl to each 500ml of water. Apply with trigger spray, or by sponge, saturate the contaminated area then apply absorbent paper towels pressing firmly down to absorb as much as possible. Ensure the area to be treated is thoroughly covered in product.

Repeat working subsequent application well into the stain using a brush or sponge using paper towels to absorb released matter until all visible signs of staining disappear. Apply final spray application and leave to dry naturally, do not rinse. Dispose of paper towels. If items can be washed use Fragile Earth Biocidal Laundry Additive. Remains active in dry conditions for up to 12 hours
