

CERTIFICATE OF FACTORY PRODUCTION CONTROL

1071- CPD - 1018

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Hunton Vindtett (12, 15, 19 and 25 mm)
Hunton Bitroc (12, 15, 19 and 25 mm)
Hunton Stubbeloft (12 and 18 mm)

Meets the requirements for structural boards for use in humid conditions
Technical class SB.HLS

produced by the manufacturer

Hunton Fiber AS
Postboks 71
2810 Gjøvik

in the factory

Hunton Fiber AS
Gjøvik

is submitted by the manufacturer to the initial type testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - SINTEF Building and Infrastructure - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. (System 2+).

This certificate attests that all provisions concerning the attestation of factory production control described in *Annex ZA of the standard*

NS-EN 13986:2004

were applied.

This certificate was first issued on 25.06.2004, renewed 11.09.2009 and revised 18.12.2012. It remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly and latest on 25.06.2014.
