### Natural oil for interior solid wood

**KUNOS Natural Oil Sealer** is a natural oil and resin containing coating material, which is suitable for all interior solid timber as well as OSB surfaces. It can be used as both a primer and as a final treatment. KUNOS Natural Oil Sealer complies with DIN 53160 fast to perspiration and saliva, water resistant and is successfully tested according to DIN EN 71 part 3 as suitable for toys.

KUNOS Natural Oil Sealer can be applied with all conventional methods including spraying and dipping as well as by a rolled-up cotton cloth or with a polishing machine. By application, the room temperature should be at least 16°C.

KUNOS Natural Oil Sealer can be obtained in 24 different colors. KUNOS white preserves the natural color tone of the wood. Samples of our existing colors can be found on the back.
